

# PICK & MIX HOMEWORK

Year 5 Homework Menu: Summer Term 2, 2024 – How we see the World

## Every Day

- 10 minutes (or more) of reading
- 5 minutes discussing what you have read
- 5 minute chat about what you have learnt that day

## Pick & Mix

Choose 1 item per week to complete in your homework book.

Completed tasks can be photographed and uploaded via ClassDojo, so that your class teacher can see your amazing work.

## Literacy

**Use your consumer power and show retailers that farmers deserve a fair deal.**

Write a letter to your local supermarket that sells chocolate and persuade them about the benefits of selling fairtrade products.

## Science

Research a famous scientist. What was he famous for?  
What did he contribute to science?

Create a fact file/poster about your scientist.

## PSHE

Write a short letter to anyone of your choice. In your letter you will need to explain that you are growing up and tell the person what you are looking forward to most about growing up. Try your best to include the features of a letter.

## Maths

As part of statistics, you have to collect and analyse data. Choose a topic of your choice e.g. favourite chocolate bars- remember it can be anything you want.

1. Design the tally chart you will collect your data on.
2. Collect data with family and friends.
3. Produce a bar chart to show your findings.
4. Come up with some questions for someone to answer about your data.

As you prepare for your transition into year 6, make sure you practice your timetables daily allowing about 10 minutes every day.

## Music

Choose a piece of music you like listening to and complete the appraisal sheet about it.

## Art/DT

Redesign your own version of the Fairtrade symbol.  
Or  
Create an advert for your Granola Bar this could be a poster, or you could film it.

## Reading

Read poetry at home!  
Who is your favourite poet? Share this with us on ClassDojo.

## Geography

Create a timeline about the history of chocolate.

Did you know that chocolate's history dates to well over 2,000 Years?
