

Dear Parents/Carers,

As part of our Stone Age topic, the children have read the fiction book 'Ug'. In the story, Ug likes to invent things. As part of our persuasive writing the children are becoming inventors and will be 'pitching' their inventions to members of SLT. The best invention will win a small prize.

As part of the process, Year 3 pupils would like to invite you to take part in our DT lesson whereby you will support in the construction of their inventions.

This will be at 1:15pm – 3:00pm

Monday 9<sup>th</sup> October 2023 – Bonham Site

Wednesday 11<sup>th</sup> October 2023 - St George site

If you would like to join in the fun, please complete the slip below and hand to your child's class teacher or respond via ClassDojo.

Details of entry and exit will be put on class dojo closer to the date.

Please could your child bring in a range of junk modelling items by Monday 9th October.

Thank you for your continued support,

The Year 3 Team
