

Measles cases

are rising in London

Is your child vaccinated?

Two doses of the MMR vaccine can stop your child getting seriously unwell with measles.

If your child is aged 4-16, get them vaccinated at our pop-up clinic on Saturday 20 April – no appointment or GP referral needed! Free activities for children provided.

**Saturday
20 April
10am - 5pm**

Valence Library

Becontree Ave, Dagenham RM8 3HT

Your child can also catch up on other vaccines they might have missed at this clinic. Our team is ready to answer your questions about this on the day.
