

To all our families.

Spring may seem a long way off, but we need to prepare.

Children love to see the first flowers after winter, so we want to plant as many spring bulbs as possible.

If you can donate any bulbs or small pots, we'd love to receive them. Please hand donations to our offices for Ms Livanaite (St. George Site) or Mrs Ballard (Bonham Road Site).

**Donations
are greatly
Appreciated!**
